

The 5 I's of Disability Justice

INVOLVEMENT

Critical Question

Were people with disabilities involved in the formulation of this policy prior to its first presentation?

INDEPENDENCE

Critical Question

How does this policy foster and promote independence for the people it aims to support?

INCLUSION

Critical Question

How does this policy contribute to a more significant integration of people with disabilities in their communities?

IMPLEMENTATION

Critical Question

Can this be implemented effectively and efficiently in a way that accomplishes the desired outcome?

INTERSECTIONALITY

Critical Question

How does this policy intersect with the policy priorities of other marginalized and disadvantaged groups?
