

All The Way To The Top

Questions: Answer the questions in the book as you read.

- Who is the main character? Describe her. (personality, appearance, character traits)
- What is the ADA? Why is it important?
- Why do you think Jennifer helped others to understand why ADA was so important?
- What is self-advocacy?
- Jennifer had to self-advocate for her rights to go in and out of buildings. How can you advocate for yourself?

Extensions:

- Draw how you can turn your home and community into an accessible place for someone who may have a physical disability.
- Take a walk in and/or around your school and only use entryways, hallways, and paths that would be accessible to someone in a wheelchair. Afterwards, discuss if that is easy or hard to do. (no steps or stairs, doors that automatically open, ramps, etc.)
