

The Ability Center

**2022**

ANNUAL REPORT

You've been with us through a global pandemic, through the transition of a new executive director, and have challenged the community to be the most disability-friendly community in the country. Now, through the launch of our *Think Differently then ACT* campaign, you may ask, what is next?

Steadfast Movement - Change can be uncomfortable, yet making our community the most disability-friendly in the country requires dismantling bias and empowering change from the outside, advocacy knows no boundaries.

As I venture into my third year at the helm of this organization, I am extremely proud of the progress we have made. We have focused our efforts on consumer impact storytelling, begun work on our campus master plan, and positioned ourselves for more development and giving opportunities than ever before.

Join Forces for Good - Elevate your impact with our new Corporate Membership Program designed to equip our partners with accessibility resources, educate groups in real-time on disability etiquette, and contribute to community investment projects.

Your Gift, Our Gratitude - New donor societies have been established to recognize lifetime giving in the Harrington Society and to acknowledge those who have planned to leave a legacy through the Edward Drummond Libbey Legacy Society.

During this fiscal year, we have made significant changes to move the mission forward. You, our Ability Center family, continue to see the long-term vision and support this historic organization.

We can't thank you enough,

A handwritten signature in blue ink, appearing to read "Stuart James".

Stuart James  
Executive Director

## Baking To Biking: An Amazing Fundraising Journey

Mike Armstrong, an accomplished chef and baker for many years, loves delighting his family and friends with delectable desserts. Recently, he discovered a passion in biking which motivated him to join the effort to support people with Multiple Sclerosis (MS) by biking along the West Coast to raise funds.

Funds were donated to The Ability Center and local universities to support MS research after months of fundraising and 31 long days of travel. Thanks to Mike's donation, a mom can now see birds from her second-floor window, and her family, for the first time in years, can carve pumpkins on their front porch.

## A New Direction: Directions Credit Union

Directions is proudly taking a proactive role in investing in the future of Arbor Hills students by naming and sponsoring Storm. School facility dogs promote a sense of community and compassion at schools.

# HARRINGTON SOCIETY

## Tim Harrington Lifetime Giving Society

The society honors Tim Harrington's dedicated lifetime service to The Ability Center, supporting those with disabilities to thrive within their community and advocating to make our region the most disability-friendly in the nation. Donors committed to our mission whose gifts total \$50,000 or more throughout their lifetime are recognized with permanent membership in the Harrington Society.

## Multi-Generational Impact: Zeisloft

Through companionship provided by school facility dogs to students, for parents, educators, and other community members, the donation has a long-term impact that goes beyond the classroom.

Paul Zeisloft Jr. graduated from Montpelier High School in 1967. Through the sponsorship of the family trust, Paul's life and memory will be honored through the support of over 1,100 students in Stryker and Montpelier School Districts with Jet and Roger.

"Through this grant, we can acquire puppies, provide food supplies, cover veterinary expenses, and train facility dogs for placement in a new area. Educating families and community members about our dogs will serve as a lasting tribute to the Zeisloft family," shares Stacie Baumbarger, Director of Assistance Dogs at The Ability Center.

Benefits of a school facility dog include reduced stress and anxiety, improved socialization, and increased classroom participation.

## On Demand Accessibility: Dana Holding Corp.

Dana made it possible for The Ability Center to install a lift on our delivery vehicle. Among the items that will be transported to and from The Ability Center will be power chairs, scooters, and sit-to-stand aids that may be too heavy or too big to pick up. Deliveries can be scheduled more efficiently, and the item can be cleaned and prepared for someone else.

# LIBBEY SOCIETY

## Edward Drummond Libbey Legacy Society

The society remembers Edward Drummond Libbey, whose transformational planned gift in 1931 created the foundation for our organization nearly 100 years ago. Donors who further secure our sustainability through thoughtful planning and have made a lasting commitment by planning a deferred gift in their will, trust, life insurance policy, estate/promissory note, or other instrument are recognized with permanent membership in the Libbey Society.

**“** Strong leadership is the cornerstone of any successful organization, and it is our collective responsibility to invest not only our time and energy, but also our resources in the cause. By demonstrating a financial commitment, we can make a real, tangible difference in the lives of those we serve.

*My contribution to The Ability Center is more than a charitable donation; it's an investment in our goal of making our community the most disability-friendly in the country.”*

**Bill Logie, 2022 Board of Directors Chair**

# The Ability Center

## Disability Awareness EXPERIENCE

**Discover a fresh perspective on disability**

through authentic conversations and hands-on experiences.

***No question is off limits!***

*"My favorite station was wheelchair basketball because it really helped me understand how having a disability is not 'bad' it's just different and no matter someone's physical abilities, they can still have fun with the same experiences."*

This experience has already left the following organizations thinking differently about disability:

**Request Your Experience Today!**

Scan this code to visit  
[abilitycenter.org/request-a-speaker](http://abilitycenter.org/request-a-speaker)

**Questions?** Call us: 419-885-5733

# THINK DIFFERENTLY

what you think you know  
about disability

canine companions who  
enhance independence

traditional peer-to-peer  
mentorships

assistive technology aids in  
learning new skills

job titles and cultivate careers  
for people with disabilities

be an advocate equipped with  
tools to change the system

THINK  
*Differently*  
THEN  
ACT!

# Expand Your Impact

## Discover Countless Ways to Make a Difference

### LOVE PUPPIES?

Be a part of the mission providing independence through a love for dogs!

Scan this code to begin  
**Puppy Raising Today!**

### Donate your new or used medical equipment now.

Our program provides individuals with disability-related equipment at no cost.

#### **DROP OFF LOCATION:**

5605 Monroe St., Sylvania, OH 43560  
(side entrance, yellow awning)

## The Ability Center

AUXILIARY

Members of the Auxiliary to The Ability Center are dedicated ambassadors and fundraisers who use their time and talent to support individuals who benefit from The Ability Center's programs.
